The Notes will NOT be subject to redemption, in whole or in part, prior to maturity. Interest on the Notes will be payable at maturity.

The timely delivery of all proposals submitted by telefax (FAX) must be in legible and completed form, signed by an authorized representative of the bidder, and shall be the sole responsibility of the bidder. THE NOTES WILL BE DESIGNATED AS "QUALIFIED TAX-EXEMPT OBLIGATIONS" PURSUANT TO THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE "CODE").

The Notes are issued pursuant to the Constitution and laws of the State, including Sections 24.00 and 39.00 of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of New York, and a tax anticipation note resolution adopted by the Board of Education of the District to finance cash flow requirements in anticipation of the District's collection of 2011-2012 real property taxes levied or to be levied for school purposes on all taxable real property in the District.

Principal of and interest on the Notes are payable in lawful money of the United States of America in Federal Funds.

The purchaser(s) will have the option of having the Notes issued as registered notes in the name of the purchaser(s), or, at the option of the purchaser(s), the Notes may be registered to The Depository Trust Company, New York, New York ("DTC"). The purchaser(s) must notify Bond Counsel by 3:00 P.M., Prevailing Time, on the date of sale whether the Notes will be issued in non-book-entry form or book-entry form.

If the Notes are issued in non-book-entry form, they will be issued as registered obligations, registered in the name of the purchaser(s). Principal of and interest on the Notes will be payable at maturity at such bank or trust company located and authorized to do business in the State of New York or at such other office as may be designated by the purchaser(s). The paying agent on the Notes may be designated by the winning bidder(s). Paying agent fees, if any, shall be paid by the purchaser(s).

If the Notes are issued in book-entry-only form, the Notes will be (i) registered in the name of Cede & Co., as nominee of DTC, and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and a clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interest of its participants, which include certain banks, trust companies and securities dealers, and the transfer of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interest in the Notes may be made only through book entries made on the books and records of DTC (or a successor depository) and its nominee as registered owner of the Notes. Transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The District will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

The Notes will be valid and legally binding general obligations of the District. Unless paid from other sources, all the taxable real property within the District will be subject to the levy of *ad valorem* taxes to pay the Notes and interest thereon, without limitation as to rate or amount. The District will pledge its faith and credit for the payment of the principal of the Notes and interest thereon.

Each bid may be for all or a portion of the Notes and must state a single rate of interest therefor in a multiple of one hundredth (1/100th) or one eighth (1/8th) of one per centum (1%) per annum. Interest will be calculated on the basis of 30 days to the month and 360 days to the year. Unless all bids are rejected, the award will be made to the bidder complying with the terms of sale and offering to purchase the Notes at the lowest aggregate interest cost, after factoring in any premium bid. If there is more than one bid at the same lowest net interest cost, the winner will be selected by the District by lot. The right is reserved by the District to reject all bids.

The right is reserved by the District to award to any bidder(s) all or any part of the Notes which such bidder(s) offers to purchase and, in such event, the premium, if any, specified by such bidder(s) will be pro-rated. In any event, award of the Notes will be made on the basis of the bid or combination of bids offering to purchase the Notes on terms most favorable to the District.

The Notes will be delivered in New York, New York or at such other place as may be agreed with the purchaser(s) on or about July 21, 2011. The purchase price of the Notes, in accordance with the purchaser's bid, shall be paid in Federal Funds or other funds available for immediate credit on the delivery date.

CUSIP identification numbers will be printed on the Notes if Bond Counsel is provided with such numbers by the close of business on the date of sale of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser(s) thereof to accept delivery of and pay for the Notes in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the District; provided, however, that the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid for by the purchaser(s).

As a condition to a purchaser's obligation to accept delivery of and pay for the Notes, such purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for the Notes: (i) a Certificate of the Clerk of the District certifying that (a) as of the date of the Official Statement furnished by the District in relation to the Notes, the Official Statement did not contain any untrue statements of material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading,

subject to the condition that while information in the Official Statement obtained from sources other than the District is not guaranteed as to accuracy, completeness or fairness, he has no reason to believe and does not believe that such information is materially inaccurate or misleading, and (b) to his knowledge, since the date of the Official Statement, there have been no material transactions not in the ordinary course of affairs entered into by the District and no material adverse changes in the general affairs of the District or in its financial condition as shown in the Official Statement other than as disclosed in or contemplated by the Official Statement, (ii) a Closing Certificate, constituting a receipt for the Note proceeds and a signature certificate, which will include a statement that no litigation is pending, or to the knowledge of the signer, threatened affecting the Notes, (iii) a nonarbitrage certificate executed on behalf of the District which will include, among other things, covenants, relating to compliance with the Internal Revenue Code of 1986, as amended (the "Code"), with the owners of the Notes that the District will, among other things, (a) take all actions on its part necessary to cause interest on the Notes not to be includable in the gross income of the owners thereof for federal income tax purposes, including without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Notes and investment earnings thereon, making required payments to the federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (b) refrain from taking any action which would cause interest on the Notes to be includable in the gross income of the owners thereof for federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Notes and investment earnings thereon on certain specified purposes, and (iv) the approving opinion of the law firm of Hodgson Russ LLP, Bond Counsel, of Buffalo, New York, to the effect that the Notes are valid and legally binding general obligations of the District for which the District has validly pledged its faith and credit and, unless paid from other sources, all the taxable real property within the District is subject to the levy of *ad valorem* real estate taxes to pay the Notes and interest thereon, without limitation as to rate or amount. Reference should be made to the Official Statement for a description of the scope of Bond Counsel's engagement in relation to the issuance of the Notes and the matters covered by such legal opinion.

The Official Statement dated June 27, 2011 is in a form "deemed final" for purposes of SEC Rule 15c2-12 (the "Rule"), except for the omission therefrom of those items allowable under the Rule. In order to assist bidders in complying with the Rule and as part of the District's contractual obligation arising from its acceptance of the successful bidder's proposal, at the time of the delivery of the Notes the District will provide an executed copy of its "Undertaking to Provide Notice of Material Events." Such undertaking will constitute a written agreement or contract of the District for the benefit of holders of and owners of beneficial interest in the Notes, to provide to the Electronic Municipal Market Access ("EMMA") System implemented by the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, or any successor thereto, notice of the occurrence of certain material events, as enumerated in the Rule.

Any party executing and delivering a bid for the Notes agrees, if its bid is accepted by the District, to provide to the District, in writing, within two business days after the date of such award, all information which such successful bidder determines is necessary for it to comply with the Rule, including all necessary pricing and sale information, information with respect to the purchase of bond insurance, if any, and underwriter identification. Within five business days following receipt by the District thereof the District will furnish to the successful bidder, in reasonable quantities as requested by the successful bidder, copies of such Official Statement, updated as necessary, and supplemented to include such information. Failure by the successful bidder to provide such information will prevent the District from furnishing such Official Statement as described above. The District shall not be responsible or liable in any manner for the successful bidder's determination of information necessary to comply with the Rule or the accuracy of any such information provided by the successful bidder or for failure to furnish such Official Statements as described above which results from a failure by the successful bidder to provide the aforementioned information within the time specified. Acceptance by the successful bidder of such final Official Statements shall be conclusive evidence of the satisfactory completion of the obligations of the District with respect to the preparation and delivery thereof.

A detailed Official Statement will be furnished to any interested bidder upon request and shall be used in connection with the Notice of Sale.

THE DISTRICT RESERVES THE RIGHT TO CHANGE THE TIME AND/OR DATE FOR THE OPENING OF BIDS. NOTICE OF ANY SUCH CHANGE SHALL BE PROVIDED NOT LESS THAN ONE HOUR PRIOR TO THE TIME SET FORTH ABOVE FOR THE OPENING OF BIDS BY MEANS OF A SUPPLEMENTAL NOTICE OF SALE TO BE TRANSMITTED OVER THE TM3.
